CANTINETTA TRATTORIA & BAR

Authentic, with culinary creativity and passion for the craft. Few, but selected foods of the best quality form the basis for dishes such as spaghetti gamberoni or tortellini ricotta in the cantinetta trattoria & bar. This way we draw attention to what really matters: the taste and your enjoyment.

With the most popular of all classics - pizza! - we also concentrate on the essentials. Following the example of the „real“ neapolitan pizza, we use only the best caputo pizza flour, fresh yeast, sea salt, water and „extra virgin“ olive oil for the dough and let it rest for 72 hours.

Thinly rolled out and generously topped with a fruity sauce made from sun-ripened italian tomatoes, fresh basil and mozzarella, we then bake our pizza in a stone oven at 375 degrees. This creates the original pizza neapolitana in just four minutes - crispy, airy and aromatic. BUON APETITO!
